## PLAINS OF MAMRE

Mamre = "strength" or "fatness"

1) an Amorite who allied himself with Abram (noun proper masculine)

2) an oak grove on Mamre' s land in Palestine where Abraham dwelt (noun proper locative)

3) a place near Abraham' s burial place, apparently identified with Hebron (noun proper locative)

# Genesis 23-25:18

## PLAINS OF MAMRE

Abraham seemed to really enjoy this spot. He seems to spend a great deal of time here.

Think of an old western and how they always wanted to be buried back home in Texas.

It brought him comfort.
